Dr. C. M. Hincks,
9 College Street,
Toronto.

Dear Dr. Hincks:

Will you thank Mr. Vincent Massey for his invitation to take dinner at Hart House with the Committee for Mental Hygiene on Thursday evening ? I regret, however, that I have another engagement.

Also, I am afraid that I may not be able to be at Mrs. Warren's house on Thursday afternoon in time to take part, as I have a very important committee here at four o'clock, and it may be doubtful whether I would be through in time.

Yours sincerely,

President.
